

# Kontaktmatta KE-35 med 6,35 mm kontakt

## Produktblad - Art. nr. 14706

---

### Specifications and maximum ratings

Specification	Pressure Mat Sensors
Contact form	N/O normally open
Max contact rating	10 VA
Max switching voltage	25 Vdc
Max switching current	0.25 Amp dc resistive
Max carry current	0.25 Amp dc resistive
Contact resistance	Typically 1 $\Omega$ dependant on applied pressure
Temperature range	-10 to 70 °C
Environmental protection	IP64 not waterproof
Standard operating pressure	Nominal 25Kg over 50mm disc
Increased sensitive operating pressure	Nominal 16Kg over 50mm disc
Cable 2 core round	3 metres of 7 x 0.222
RoHS	Compliant
