

IP CCTV / IP Home / Nivian / IP cameras

# NV-SOLAR5V-9W

NIVIAN

## Features

---

- Nivian
- Solar panel for battery operated cameras
- Exclusive for battery operated cameras with DC5V power input
- High-efficiency monocrystalline silicon technology
- Power rating 9W
- USB C connector
- Cable length 3 m
- Bracket 360° included
- Weatherproof IP65
- Dimensions 169 (W) x 195 (H) mm

## Specifications

---

<b>Brand</b>	Nivian
<b>Compatibility</b>	IP cameras with integrated battery, PIR sensor and DC5V USB-C power supply
<b>Capture technology</b>	Monocrystalline silicon
<b>Voltage output</b>	>5V (stabilized)
<b>Efficiency</b>	>20.5%
<b>Nominal power</b>	9 W
<b>Open circuit voltage</b>	>6.00 V
<b>Operating voltage</b>	>5.00 V
<b>Operating current</b>	>1700 mA
<b>Short circuit current</b>	>1836 mA
<b>Connector</b>	USB-C
<b>Cable length</b>	3 m
<b>ENVIRONMENT</b>	Suitable for outdoor use / Waterproof IP65
<b>Dimensions</b>	263 (H) x 172 (W) mm
<b>Weight</b>	425 g
